Sandberg AC Charger USB-C PD65W EU 3m is a compact and efficient USB-C charger delivering up to 65W, making it ideal for charging laptops, tablets, and smartphones. You can use a single USB-C port for full power or charge two devices simultaneously, with power distributed between them. The included 3 meter USB-C to USB-C cable provides extended reach, making it especially suitable for laptop use where power outlets are often out of reach. A perfect choice for work, home, or travel when you need flexible and powerful charging.
