Sandberg 2in1 Carbon Desk Pad XXXL combines two different surfaces in one large desk pad. The smooth carbon-look PU surface provides a stylish base for your keyboard and other equipment, while the soft, water-resistant fabric surface is ideal for use with your mouse. This gives you two practical surfaces and a distinctive design in the same desk pad. The large 80 x 40 cm size provides plenty of space for your equipment, while the anti-slip underside helps keep the desk pad securely in place. The stitched edges provide a stylish and durable finish.
