Med Sandberg USB 3.0 Hub kan du fordele din USB 3.0 port, så mere USB 3.0 udstyr kan tilsluttes din computer. I hub'en er indbygget en sikring, der beskytter computerens og hub'ens USB 3.0 porte mod udstyr, der overbelaster dem. Hub'en tilsluttes blot din USB 3.0 port med det medfølgende kabel, og Windows® installerer selv den nødvendige software. Lettere kan det ikke blive!
