

The Sandberg X-RayCamo headset combines stylish design with super cool sound in a unique lightweight headset. It's comfortable to wear for long periods of time and easy to carry with you. The cable features a handy volume control with inline microphone and stands out from the crowd due to its attractive and durable nylon cover. The X-RayCamo headset is the ultimate headset, ideal both for chilling when you're on the move with your music player and for playing games on your PC.

StreetBoys says:

"Finally a design freed from leather couch and discman! The sound is great, and the headset is comfortable to wear even for a long while."
