

Sandberg USB-C Dock HDMI+VGA+LAN+USB+SD

The Sandberg USB-C Dock offers you lots of useful connections for your computer with USB-C port. You can connect an extra monitor, TV or projector by HDMI or VGA. The network connector allows you to connect a stable wired network connection, while you can deploy the USB 3.0 port to connect USB devices. You can even read and write on SD cards by the built-in SD card reader. And as icing on the cake, the dock is equipped with a USB-C throughput to connect USB-C devices or power. This way your computer can charge and have the dock connected at the same time.
