Sandberg USB-C 5-in-1 MediaDock gives you a simple and efficient way to expand your laptop using a single USB-C port. The dock combines power, data and video in a compact design that is ideal for both work and travel. With multiple USB-C ports and support for high-resolution video, you can connect an external display, transfer data at high speed and charge your laptop at the same time. The slim aluminium housing makes the dock both durable and easy to carry in your bag. A practical solution for getting more out of your USB-C port.
