Sandberg USB-C to 8xUSB-C+2xUSB-A 100W is a high-capacity data hub designed to expand your laptop with a wide range of high-speed USB connections through a single USB-C port. With multiple USB-C and USB-A ports, it makes it easy to connect external drives, peripherals and accessories at the same time. The hub supports data transfer speeds of up to 10 Gbps across all ports, ensuring fast and reliable performance for demanding workflows. Housed in a slim aluminium enclosure, it is both robust and easy to carry, making it ideal for office, home and mobile work setups.
