Sandberg Powerbank 10000 Wireless 10W is a super clever powerbank with several charging functions. Qi-compatible smartphones can be charged completely wirelessly by placing the phone on the charging plate on top of the power bank. In addition, you will find both a QC 3.0 USB-A port and a USB-C port for wired charging of your device if needed. The power bank is equipped with powerful suction cups, which hold on to your smartphone, so that the smartphone doesn't fall off, for instance during wireless charging in your pocket.
