Sandberg Headlamp 1000 Pro delivers maximum brightness and durability for demanding users. The powerful 1000 lumens LED provides light comparable to car headlights, ensuring clear visibility even in dark and challenging conditions. With 3 adjustable light modes, it's perfect for both outdoor adventures and professional use. The additional overhead strap offers a secure fit even during movement, while the IP66 rating makes the headlamp completely dustproof and waterproof. The rechargeable battery keeps it ready for action, while the magnetic base lets you attach it easily to metal surfaces. Charge via USB, and stay prepared, whatever the weather or terrain.
