Sandberg 3in1 Magnet Powerbank 10000 Pro combines high capacity with smart 3-in-1 charging in a sleek and compact design. The magnetic wireless charging keeps compatible smartphones securely in place, while the dedicated charging surfaces support compatible smartwatches and wireless earbuds. With a capacity of 10,000 mAh, you've got plenty of power all day for your devices, and the informative TFT display provides a clear overview of battery capacity and charging status. The integrated ring acts as a handy stand, allowing the phone to be positioned both vertically and horizontally during charging or video viewing.
