Sandberg 3in1 Mini Worklight Torch Pro is a compact and versatile light with powerful work light, regular flashlight, and red signal light. Use the work light when you need extra illumination for a task, or use the light at the end as a regular flashlight. The built-in magnet and sturdy clip on the back make it easy to attach the light, allowing you to have both hands free. With up to 800 lumens, you get an impressive amount of light from the compact design. The rechargeable battery is easy to charge from a regular USB-C charger.
