EAN: 5705730421662

5 Years Warranty

Sandberg Pocket Bike Tire Inflator is a super compact electric bike pump that makes keeping your tires inflated easy wherever you go. Set your preferred tire pressure and let the pump do the work – it stops automatically when the pressure is reached. The digital display keeps you in control, while the powerful 150 PSI maximum pressure makes it suitable for road bikes, mountain bikes and everyday bicycles. Weighing just 132 grams, it's easy to bring along on any ride. A protective rubber cover is included, and the pump also features a built-in LED light. No more exhausting manual pumping!
