

**Sandberg Extension VGA LUX 5 m BLACK**

This sturdy extension cable allows you to extend any VGA, SVGA or X VGA cable (15-pin D-Sub). The cable is male to female. It is double-shielded, i.e. each lead is individually shielded as well as the cable as a whole being shielded. The cable is also equipped with ferrite cores, ensuring complete suppression of noise and elimination of image ghosting. The cable is black.
