

Sandberg Wireless Touch Mouse

Sandberg Wireless Touch Mouse is a small, handy mouse for the laptop bag, the home office or a child's hand. Featuring an even flat surface on the top side, this mouse offers sublime precision and flexibility with touch scroll. Easy application switch by a vertical slide of your finger, for example in Windows 8. Instant wireless connection, no software installation required.

Komputer for Alle says:

"The mouse buttons click satisfactory, and the sensor is fast and accurate. A comfortable and somewhat different mouse."
