

With the Sandberg Wireless Keyboard Set Pro, you get a stylish keyboard and an attractive optical mouse. No more cable clutter plus full freedom of movement, due to both devices being linked wirelessly to your computer via a tiny USB receiver. Installation is fully automatic with no need for software or device pairing. The keyboard features a whole host of time-saving hotkeys for selected programs plus playback of media files. Both the mouse and keyboard have a comfortable black rubber surface for a better grip. English user guide.
