

RageStorm Mech Gaming Keypad

Item no.:

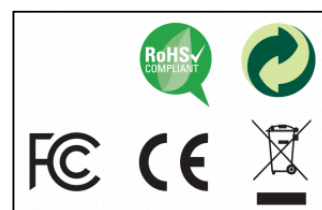

640-18

EAN:

5705730640186

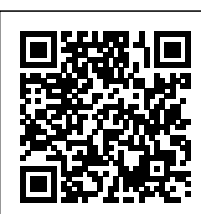

Sandberg RageStorm Mechanical Keypad is the left side of a normal gaming keyboard in one device. This gives you the exact keys that you need in your game, meaning that you avoid the disturbance of other keys that cause a potential risk of hitting the wrong keys during a game. You are ensured maximum precision in your games due to the mechanical keys, while the embedded hand wrist rest makes even long gaming sessions comfortable to your wrist. Features backlit keys in several colors as well as programmable macros. Solidly made in metal.
