Sandberg USB-C 8in1 Laptop Stand Dock combines an ergonomic laptop stand with a powerful USB-C dock in one elegant product. Raise your laptop to a more comfortable working position while creating a complete workstation with just a single USB-C cable. The dock provides access to 2 HDMI outputs for external displays, high-speed USB-A and USB-C ports with up to 10 Gbps data transfer, Gigabit network connectivity, and USB-C power delivery with up to 100W pass-through charging. The robust aluminium construction ensures both stability and efficient heat dissipation, while the adjustable stand with 5 height levels makes it easy to find the optimal working position. The result is a more organised workspace, improved ergonomics, and easy connection of all your equipment through a single USB-C connection.
