Sandberg ConfCam PTZ x10 Remote 1080P, is a high quality motor driven webcam with marvelous 10x optical zoom. This makes the camera able to pan, tilt and zoom without any loss of image quality. It is all easily controlled by the included wireless remote control. Further the wide angle lens will secure that you can have everybody in the picture when zoomed out. The camera can be standing on a desk or wall mounted (wall bracket included). We recommend to use the camera together with Sandberg Speaker Phone or another audio device with microphone and speaker. Compatible with all well known video chat applications.
