

Solar Charger 15W LightWeight

Article n °:

421-42

EAN:

5705730421426

Sandberg Solar Charger 15W Lightweight gives you a practical power source when you are on the move and want to be less dependent on power outlets. The compact, foldable solar panel is easy to carry in a backpack and well suited for outdoor activities such as hiking, camping and festivals. The efficient monocrystalline solar cells deliver up to 15W, making it possible to charge smartphones, power banks and other USB devices directly via USB-A or USB-C. The durable ETFE coating ensures high efficiency and long lifespan, even when conditions are not ideal. With its lightweight design, practical storage pocket and waterproof construction, Sandberg Solar Charger 15W Lightweight is a reliable choice when you need power on the go.
