

SolidState Powerbank 20000 20W

Article n °:

421-49

EAN:

5705730421495

Sandberg SolidState Powerbank 20000 20W is a powerful power bank featuring advanced semi-solid battery cells for improved safety and stable performance. With a high 20000 mAh capacity, you get plenty of power for multiple charges of smartphones, tablets, and other USB devices. It supports up to 20W USB-C charging for efficient and fast power delivery when needed. The built-in display gives you a clear overview of the remaining battery level. An ideal choice for travel, long days, or whenever you need reliable backup power.
