

Wireless Headset ANC FlexMic

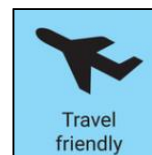

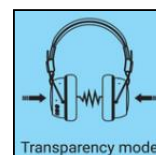

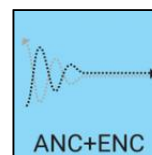

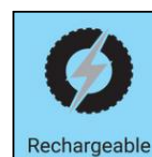

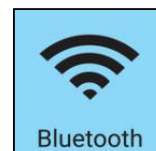

Stavka br.:

126-36

EAN:

5705730126369

Sandberg bežične slušalice ANC FlexMic napredne su bežične slušalice koje su udobne za nošenje više sati zahvaljujući svojim elegantnim naglancima za uši. Ugrađeni ANC (Active Noise Cancellation) osigurava izvrstan nesmetani zvuk, bilo da sjedite u bučnom uredu ili ste izloženi stalnoj buci motora zrakoplova ili vlaka. Odvojiva, fleksibilna ruka mikrofona daje vam mogućnost optimalnog snimanja glasa kada se koristi za online sastanke, igranje i IP telefoniju. Ugrađeni mikrofoni omogućuju vam da diskretno govorite u svoje slušalice, čak i kada držač mikrofona nije pričvršćen. Ugrađena baterija se jednostavno i univerzalno puni putem USB-a, a jedno punjenje vam osigurava 13 sati rada.
