Sandberg Wireless Office Headset Mono + Dock is a wireless headset designed for calls and online meetings at the office. The lightweight mono design keeps one ear free, while the flexible microphone arm makes it easy to position the microphone optimally. The headset connects wirelessly to your computer, smartphone or tablet, allowing you to move freely during calls. The built-in battery provides power for a full working day, and the included dock makes it easy to recharge the headset when not in use. A practical solution for anyone spending many hours on phone calls and online meetings who wants to keep their hands free throughout the working day.
