Years
Warranty

Sandberg USB-C/A to 2A+2C Splitter gives you a flexible way to expand a single USB port into multiple connections in a lightweight and compact cable design. With both USB-A and USB-C on the input side, the splitter works with a wide range of computers, while the four outputs make it easy to connect accessories such as a mouse, keyboard, USB flash drives and other devices. The integrated cable design helps reduce desk clutter and is ideal for work, study and travel.
