Perfect grip

Natural hand
position

LED strip

2400

DPI

The Sandberg Wired Vertical Mouse Pro is an ergonomic alternative to a traditional computer mouse. The mouse is, so to speak, overturned on the side and the shape adapted to the grip of your hand, so that you get a more natural grip of the mouse. This significantly reduces the strain on your wrist, thereby lowering the risk of pain and joint injuries. Connect the mouse to a USB port in your computer, and it works instantly.
