The Sandberg All-in-1 ConfCam 1080P Remote provides you with a camera, microphone and loudspeaker in a single device. That is what makes it the perfect solution for video calls and online meetings, whether at the home office or in the meeting room. The camera supports panning, tilting and zooming, which are controlled on the included remote control. Furthermore, you get a 105° wide-angle lens, thus all attendees are in the picture. The microphone ensures that all of the attendees' voices are easily picked up and clearly reproduced, while the powerful 5W loudspeaker provides a crystal clear sound reproduction. Supports noise reduction and echo cancellation. Compatible with all known online conference applications.
