

USB 3.2 Cloner and Dock for M2 + NVMe + SATA

Atuagaq nr.:

136-49

EAN:

5705730136498

Sandberg USB 3.2 Cloner & Dock for M2 + NVMe + SATA gives you an easy external connection of traditional, SSD type and NVMe M.2 SSD 3.5"/2.5" SATA hard disks in a range of sizes. Insert your disk in this handy little dock, avoiding any use of cabinets and screws. It connects easily to your PC via a USB-A or a USB-C port and works immediately. With a USB 3.2 interface you get fast transfer speeds of up to 10 Gbps. You can also clone the contents of one hard disk to another completely without PC connection. The cloning feature works bidirectionally.
