The Sandberg Urban Solar Powerbank 10000 lets you charge your smartphone up to 4 times. The power bank is equipped with an efficient solar panel, which generates enough power for an extra charge of your smartphone on a sunny day. It is perfect for when you're lounging in the sun, for example on a beach trip, on a sunny terrace, or while enjoying a cocktail at the bar. It gives the feeling of exclusivity with its sleek metal casing. Equipped with 2x USB-A connections, as well as 1x USB-C PD 18W connection for fast charging of one or more devices at the same time.
