

USB Conference Desk Microphone

Preces Nr.:

126-20

EAN:

5705730126208

Sandberg USB Conference Desk Microphone is the perfect microphone for the office or meeting room. Place the flat sturdy microphone in the center of the table. Here it will pick up all voices around the table, and transmit them clearly to the online meeting participants. Connects to USB in a PC and works instantly without driver installation. The microphone works also perfectly in combination with a speaker set. This way you can conduct your online meetings without the need of wearing the often annoying headset.
