Sandberg Nano Powerbank 5000 PD20W is your super-practical backup when your phone is running low. With 5000 mAh, it provides exactly the extra charge you need to bring most smartphones all the way back to 100%. The included USB-C cable can cleverly be used as a strap, so it's always at hand. The fast 20W charging ensures you're quickly back on the go, while the digital display gives you a precise overview of the remaining power. Its pocket-sized design makes it ideal for everyday use, travel, and emergencies.
