

Wireless Headset ANC FlexMic

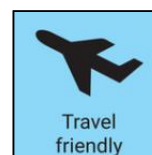

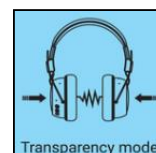

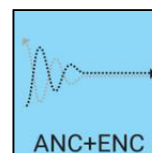

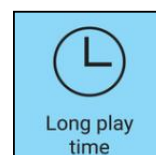

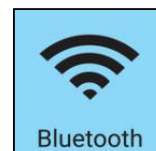

Varenr.:

126-36

EAN:

5705730126369

Sandberg Wireless Headset ANC FlexMic er et avansert trådløst headset, som med sine elegante over-ear øreklokker er behagelig å ha på i mange timer. Den innebygde ANC-funksjonen (Active-Noise-Cancellation) sikrer deg fremragende, uforstyrret lyd, uansett om du sitter i et støyfullt kontor eller ved vedvarende motorstøy i fly eller tog. Den avtakbare, fleksible mikrofonarmen gir deg optimalt stemmeopptak ved bruk til online-møter, gaming og IP-telefoni. Selv uten mikrofonarmen montert sørger den innebygde mikrofonen diskret for at du kan snakke i ditt headset. Det innebygde batteriet lades enkelt og universelt via USB, og gir deg 13 timers drift på en opplading.
