Med Sandberg Outdoor Solar Powerbank 10000 kan du lade opp smarttelefonen din 4 ganger. Likevel så er den superkompakt og veier ikke så mye ekstra i sekken. Strømbanken er utstyrt med en solpanel, som i løpet av én solrik dag genererer nok strøm til at du kan lade smarttelefonen din en ekstra gang. Strømbanken er godt innpakket i et IP66-skall, som er trygt i all slags vær, tåler å bli mistet i snøen, henge bak på ryggsekken mens du går gjennom en elv, eller bli mistet i ørkensand.
