Years
Warranty

Sandberg Travel Charger PD100W Display is a powerful charger with up to 100W and a clear digital display showing the current charging power. Suitable for everything from laptops to tablets and smartphones for both work and everyday use. With 2x USB-C and 1x USB-A, you can charge multiple devices from a single charger. The total power is shared between connected devices. Fixed foldable US plug and included EU, UK, and AUS adapters make it usable in large parts of the world.
