Years  
Warranty

Sandberg Portable FM Radio for 2xAA is a small and compact FM radio that is easy to take with you anywhere. It has a built-in speaker and a headphone jack if you prefer to listen with headphones. With a retractable antenna and simple tuning knob, you can quickly find your favorite channel in the FM band, and the volume is easily adjusted with the built-in volume knob. The radio uses 2x AA batteries and has a practical hand strap so it is always at hand — perfect for the kitchen, workshop or on the go.
